CAMP WEEK 2024

June 24-28

WHAT IS CAMP WEEK?

Camp Week is a Junior Camp and Teen Camp combined on the same week at the same campgrounds. Each group will have separate lodging, activities, and schedule.

WHO IS IT FOR?

- Elementary kids entering 3rd grade to those who have just completed 5th
- Teens entering 7th grade to those who have just finished 12th grade.

HOW DOES IT WORK?

Bonita Park's expansive facility allows for multiple groups to have their own unique camp experience at the same time. With the ministry workers of Gospel Light working together, we can plan for a schedule that is exclusive to each group.
